Some of the nicest work turned out lately are the repaired buggies that have been sent out this week by the Farmers' Repair Shop, corner Lee and Second streets. The vehicles, after they had been overhauled by Mr. W. C. McMillan, looked as though they had just come from the factory, so fresh and substantial were they. A repair shop like this is indeed the farmer's friend and should be kept busy the entire year by local orders.

DIRECTORY STYLES.

Directory Corsets give the long, lithe lines fashion demands. The soft skirt extending beyond the boned position, comfortably assures it. WARNER \$1 to \$3. REDFERN \$3 to \$6.

SUITS OF DISTINCTION

We are not a little proud of the praise we are getting in the suit department nowadays. Women are saying all sorts of flattering things about our spring line. A dozen times a day we hear some clerk say: "She took the very first suit she tried on." We like that. It's easy for us and easy for you. Our part is carefully planned. We give you garments that insure distinction in dress, that are different, that have all the season's style points with that added touch of individuality which appeals to discriminating women.

PRICES ARE \$15 to \$40.

THE GENTRY SHOWS

Draw a Large Crowd and Gave Pleasing Performances

The Gentry Dog and Pony Circus paid its annual visit to Maysville yesterday and gave an afternoon and evening exhibition to good crowds. About 4,000 persons attended both performances and the majority seemed greatly pleased with the many exhibitions of animal intelligence. The acrobatic features, which had a real circus tinge, were excellent, and very novel and pleasing, while the music was up to the usual standard.

The street parade in the morning caught the crowds down town, everything about the big show filling the bill with the small folks and lots of grown-ups.

Gentry Brothers are typical American showmen and are gentlemanly, courteous and liberal and are always welcome visitors to Maysville.

THE PAIN
MADE HER FAINT

"For almost four years I had a sore on my leg," says Mrs. Olive Hurd of Madison, N. H., "and this spring a doctor healed it up. I felt fine for about a month but had to be on my feet a good deal and above my knee came a swelling as big as my fist. It hung down and was as red as if it had been blistered and so sore that I could hardly get around. The cords of my leg seemed to be stiff and the pain was so bad at times that it made me faint."

"One of the neighbors told me about Sloan's Liniment, so I got a bottle and put some right on. Next morning I could walk ever so much better and I kept right on using the Liniment night and morning. It took down all the swelling, and the redness and soreness have gone, too. I shall never be without Sloan's Liniment in the house again and will recommend it to all suffering friends."

No Man is Stronger
Than His Stomach

A strong man is strong all over. No man can be strong who is suffering from weak stomach with its consequent indigestion, or from some other disease of the stomach and its associated organs, which impairs digestion and nutrition. For when the stomach is weak or diseased there is a loss of the nutrition contained in food, which is the source of all physical strength. When a man "doesn't feel just right," when he doesn't sleep well, has an uncomfortable feeling in the stomach after eating, is languid, nervous, irritable and despondent, he is losing the nutrition needed to make strength.

Such a man should use Dr. Pierce's Golden Medical Discovery. It cures diseases of the stomach and other organs of digestion and nutrition. It enriches the blood, invigorates the liver, strengthens the kidneys, nourishes the nerves, and SO GIVES HEALTH AND STRENGTH TO THE WHOLE BODY.

You can't afford to accept a secret nostrum as a substitute for this non-alcoholic medicine of known composition, not even though the urgent dealer may thereby make a little bigger profit. Ingredients printed on wrapper.

Keep Baby Healthy; Free

No child can be well and strong unless its bowels move regularly every day at the same hour. Such regularity promotes good health. One passage is absolutely necessary, while two are not too many.

There is one remedy that is especially adapted to the needs of children, and which thousands of American mothers are using today, and that is Dr. Caldwell's Syrup Pepsin, the great herb laxative compound. Its gentle action, so free from griping, its tonic effects, and its perfect purity, vouches for to the United States Government, makes it an ideal children's laxative tonic.

Mrs. M. F. Cash, of Webb, Okla., is an old-time friend of this wonderful child's remedy and she says she could scarcely keep house without it. She became acquainted with it through Dr. Caldwell's offer of a free trial bottle, which she found so effective on her baby that she now always keeps it in the house. Mrs. K. L. Stout, of Louisville, Ky., also first used it in a free sample, then bought it of her druggist at the regular price, which is only 50 cents or \$1 a bottle. It gave her little girl a splendid appetite and a vigorous stomach. Where Dr. Caldwell's Syrup Pepsin once finds its way into the home it makes a life-long friend. They soon discard salts, pills and powders. Those who have never yet used Dr. Caldwell's Syrup Pepsin should begin to do so, for they are missing a valuable household friend. In order to acquaint you with its merits at no expense to yourself, the doctor will send you a free test bottle on receipt of name and address. It has been justly called the nation's safeguard to health in the cure of constipation, dyspepsia, heartburn, liver trouble, sick headache, sour stomach and similar digestive ailments.

If there is anything about your ailment that you don't understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service. The address is Dr. W. B. Caldwell, 807 Caldwell bldg., Monticello, Ill.

HEALTHY PLANTS

Require the Most Careful Attention as Well as Good Soil.

Did you ever see a rosebush which—despite the most beneficent environment of soil—of sunshine—and of atmosphere, seemed never to achieve a healthy growth?

A ton of manure will not help a plant that has a canker eating out its heart. You must destroy the cause before you can remove the effect.

You cannot cure Dandruff and Baldness by rubbing on hair lotions, and rubbing in vaseline, etc.

You must look to the cause of the trouble—it's a germ at the roots of your hair which causes it to fall out.

Newbro's Herpicide destroys the germ, and healthy hair is the sure result. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

\$1 Bottles Guaranteed.

A baby was born recently to Mr. and Mrs. A. D. Sullivan of Brown county, Ohio, whose lineal succession is certainly exceptional. It has one great, great grandmother, three great grandfathers and two great grandmothers. Next it has two grandfathers and two grandmothers. This makes a total of ten grand parents, which certainly has few equals the country over.

Al G. Field, who was recently in Denver, Col., with his Minstrel Company, has filed papers of incorporation for the Al G. Field Amusement Company. Mr. Field gives that his reasons for incorporating were to reward a number of old and faithful employees, men who had been in his service for years, and to provide for the perpetuity of the Al G. Field Greater Minstrels in case anything should happen to the present head of the organization.

STREETCAR MISHAP

Rear-End Collision Yesterday, But Only One Injured

Yesterday afternoon in conveying the people to the circus grounds in the East End there was a rear-end collision of two streetcars when opposite the Second M. E. Church, South, in East Second street.

The motorman in charge of the cars were Roley and Jefferson, respectively, and both were carrying trailers. The cars were moving at a lively gait, Roley being in the advance, and when opposite the point above mentioned he stopped his car to drop a passenger, and before he had time to throw on the current and resume his run the car following behind struck his trailer with considerable force, notwithstanding Motorman Jefferson applied the brakes and did his best to prevent the collision.

The cars were crowded with circus goers, women, children and men, all of whom were more or less frightened—as was natural under the circumstances—but fortunately no one was killed or seriously injured, with the exception of a little colored child, who was thrown from its seat and sustained a broken nose and other bruises.

The two cars as they limped off showed the effects and force of the impact.

Nervous Women

For nervous, tired women, we recommend Cardui. Cardui is a woman's medicine. It acts specifically on the female organs and has a tonic, building effect on the whole system. It contains no harmful ingredients, being a pure vegetable extract. If you suffer from some form of female trouble, get Cardui at once and give it a fair trial.

TAKE CARDUI
It Will Help You

Mrs. W. W. Gardner, of Paducah, Ky., tried Cardui and writes: "I think Cardui is just grand. I have been using it for eleven years. I am 48 years old and feel like a different woman, since I have been taking it. I used to suffer from bearing down pains, nervousness and sleeplessness, but now the pains are all gone and I sleep good. I highly recommend Cardui for young and old." Try it.

"MOTHERS' DAY"

**Universal Observance Tomorrow
of the Grandest of All Days—
Maysville Baracas to Fit-
tingly Honor Occasion**

The general idea of Mothers' Day, which
was conceived by Miss Anna Jarvis of 2031
North Twelfth street, Philadelphia, is:

A simultaneous observance in every part of
the world of the love and reverence which all
men and women owe to their mothers.

Mothers' Day is the one holiday the whole
world can observe as one Nation. "A noble
mother" is the one deity the whole world can
worship in unison.

The wearing of the white Mothers' Day
flower will make heartspeak to heart through-
out the world. It will light the flame of
brotherhood in the heart of the stranger and
for, in Mother Love the hearts of the un-
labeled are "fashioned alike."

SPECIAL OBJECT OF MOTHERS' DAY.

To recall the memories of the mothers that
are gone and through loving words and loving
care to brighten the lives of the mothers that
remain and to help the children to a greater
blessing in honoring their father and their
mother.

To call back mother's prayers, mother's
dying words and the promises made to mother
by the big boy that still mourns her, and to
stop to think a little of what she was in her
life to her family.

Others who are blessed with their good
mothers still fear them may show their ap-
preciation by some deed of gratitude and love.
If away from home, write her a love letter,
send a telegram, use the long distance phone
or Special Delivery of the Postoffice.

WHO SHALL OBSERVE THE DAY?

Every man, woman and child in the town, or
the region round about it. Have a special
home service, bringing in everybody in the
neighborhood to sing the old songs and to re-
call the reminiscences that relate to mother,
and, if she be living, make her feel she is
"Queen of the May" in the hearts of her chil-
dren.

BURDENS LIFTED

From Maysville Backs—Relief Proved
By Lapae of Time.

Backache is a heavy burden;
Nervousness wears one out;
Rheumatic pain; urinary ills;
All are kidney burdens—
Daily effects of kidney weakness.
No use to cure the symptoms;
Relief is but temporary if the cause remains.
Cure the kidneys and you cure the cause.
Relief comes quickly—comes to stay.
Doan's Kidney Pills cure kidney ills.
Prove it by your neighbor's case.
Here's Maysville testimony:
The story of a permanent cure:
William H. Paul, 333 East Third street,
Maysville, Ky., says:
"For two years I had pains in my back and
other troubles, caused by disordered kidneys.
When Doan's Kidney Pills were brought to my
attention I began their use and they soon
brought me relief. I cheerfully endorse this
remedy as one that lives up to the claims made
for it."

The above statement was given on Decem-
ber 13th, 1904, and on February 6th, 1905,
Mr. Paul added:

"My opinion of Doan's Kidney Pills has not
changed since I first recommended them. My
cure has been lasting and I am now in good
health."

FREIGHT MOVEMENT

**The C. and O. Had Unusually Big
Business on Thursday**

Thursday the Chesapeake and Ohio Railroad
broke all records in the way of handling freight
into Cincinnati on one schedule.

There were 10 sections of No. 71, due out of
Russell at 2:45 p. m. There were 417 loaded
and 42 empty cars, in all about 31,000 tons.

That called for a large number of crews,
not only on the road, but in the Covington
yards.

It is an indication of an improvement in the
conditions and means that all of the crews
will soon be back to their posts. The trains
were but a short time apart.

**An
All-Summer
Delight**

The soda water season of
1905 is now fairly opened,
and at our fountain we see
those who learned to ap-
preciate last season the
rare excellence of our
sparkling beverages.

Our first effort is to
make soda as good as it
can be made; next, to serve
it properly.

That we have been suc-
cessful in both endeavors
is proved by the favor
shown by the people of
Maysville.

Whenever your spring
thirst starts drop in and get
the kind of soda that has
made our fountain popu-
lar.
